I'm hot / You're cold / You go around like you know / Who I am but you don't / But you got me on my toes / I'm slipping into the lava / And I'm trying to keep from going under / Who turned the temperature hotter / Cause I'm burnin' up, burnin' up for you baby / I fell so fast / I can't hold myself back / High heels, red dress / All by yourself / Gotta catch my breath / I'm slipping into the lava / And I'm trying to keep from going under / Who turned the temperature hotter / Cause I'm burnin' up, burnin' up for you baby / Walk through the crowd / All I can see is you / Starring me down / I know you feel it too / I'm slipping into the lava / And I'm trying to keep from going under / Who turned the temperature hotter / Cause I'm burnin' up, burnin' up for you baby

*Written by Nick Jonas, Joe Jonas, Kevin Jonas / Published by Jonas Brothers Publishing LLC (BMI) and Sony/ATV Songs LLC Administered by Sony/ATV Music Publishing*

She's such a flirt / And I am the lonely heart / Give it a chance / For our love to start / But you'll never see / If you don't give me a shot to show you what I've got / But it's too late to pretend / You know me better than I know myself / Don't take my heart and put it on a shelf / Always some one else / The next guy who will make your cold heart melt / I'm gonna give my love to some one else / I held your hand / It felt like a movie / I made some plans / But you were already moving on and now / I'm stuck under a rainy cloud / But you don't seem to care / But it's alright 'cause it's / But it's too late to pretend / You know me better than I know myself / Don't take my heart and put it on a shelf / Always some one else / The next guy who will make your cold heart melt / I'm gonna give my love to some one else / I'm tired of wastin' all my time / My heart is hangin' on the line / Is it me girl or some one else / Please take me off the shelf / Too late to pretend / You know me better than I know myself / Don't take my heart and put it on a shelf / Finally you see / How much it hurts to be alone like me / So go ahead and put your heart on the shelf / La la la / Always some one else / The next guy who will make your cold heart melt / I'm gonna give my love to some one else

Broken hearts and last goodbyes / Restless nights but lullabies / Help to make this pain go away / I realize I let you down / Told you that I'd be around / I'm building up the strength just to say / I'm sorry / For breaking all the promises that I wasn't around to keep / It's on me / This time is the last time I will ever beg you to stay / But you're already on your way / Filled with sorrow filled pain / Knowing that I am to blame / For leaving your heart out in the rain / I know your gonna walk away / Leave me with a price to pay / Before you go I wanted to say / But it's too late to pretend / You know me better than i know myself / Don't take my heart and put it on a shelf / Always some one else / The next guy who will make your cold heart melt / I'm gonna give my love to some one else / I can't make it alive on my own / But if you have to go than please girl / Just leave me alone / 'Cause I don't want to see you and me / Goin' our separate ways / I'm begging you to stay if it isn't too late / But it's too late to pretend / You know me better than i know myself / Don't take my heart and put it on a shelf / Always some one else / The next guy who will make your cold heart melt / I'm gonna give my love to some one else

## A Little Bit Longer

*Written by Nick Jonas / Published by Jonas Brothers Publishing LLC (BMI) and Sony/ATV Songs LLC administered by Sony/ATV Music Publishing*

Got the news today / Doctor said I had to stay / A little bit longer and I'd be fine / When I thought it'd all been done / When i thought it'd all been said / A little bit longer and I'd be fine / But you don't know what you got till it's gone / And you don't know what it's like to feel so low / And every time you laugh you smile you glow / You don't even know (no, no) / You don't even know / All this time goes by / And still no reason why / A little bit longer and I'd be fine / Waitin' on the cure / But none of them are sure / A little bit longer and I'd be fine / But you don't know what you got till it's gone / And you don't know what it's like to feel so low / And every time you laugh you smile you glow / You don't even know (no, no) / You don't even know / (No, no, no) / But you don't know what you got till it's gone / And you don't know what it's like to feel so low / And every time you laugh you smile you glow / You don't even know (no, no) / You don't even know / So I'll wait till kingdom come / All the highs and lows are gone / A little bit longer and I'll be fine / I'll be fine
